JUVENILE VOLUNTEER CRITERIA

1. Any person under the age of 18 who wants to volunteer at PAWS will be reviewed and approved by the Board of Directors based on their skill and experience working with dogs (and or cats if need be). They will complete a “Waiver of Liability” form and have their parent or guardian sign the form also.
2. This person will train with an adult volunteer for two to three shifts until the person training and the Board feels that they are ready to work on their own and have the parent or guardian’s approval for doing this.
3. No person under the age of 13 can volunteer without adult supervision with them at all times.
4. The volunteer who meets the requirements of No. 1 and No. 2 above, must provide their own transportation to the Shelter and will not miss the shift that they signed up for without letting one of the Officers of the Board know that they can’t make it to their assigned shift. If this volunteer misses two shifts without prior notice, they will not be able to continue to volunteer for any more shifts on their own and will need parental supervision from there on out until the age of 18.
